[Chapter 01]

[Enter The Nexus Palace]

> The nexus palace resides in a pocket universe that connects to the consciousness of many people within the multiverse. Violet Heart's one of these individuals; a white person with long black hair and purple eyes, they wore a purple luchador mask with white & black markings & a grey rose on their forehead, purple spandex tights, black knee pads, white boots, black elbow pads, purple fingerless gloves, & a purple tanktop.

Violet Heart: "Where... am i?"

> Violet Heart takes out their smartphone to use the flashlight. After ten minutes of looking around the palace; Violet Heart heard numerous slashing sounds, cries, & grunts.

Violet Heart: "Hello?.. who's there?.. is someone hurt?.. please answer."

> Violet Heart opened up a door, but was met with a shocking image; a highly bandaged woman with multiple scars, a split-open head, & wielding a kitchen knife.

Violet Heart: "Tiolev..."

> Violet Heart quickly ran away while Tiolev screamed out.

Tiolev: "Come back!.. coward!.. f!@#ing coward!"

> Violet Heart ran as fast as they could. They found an unlocked door then quickly got inside a nearby closet, hoping that the creature won't find them.

Tiolev: "Where are you... coward... always running... always hiding... f!@#ing weakling."

> Within the closet; Violet Heart saw a small purple light emerge from a box, along with a voice.
????: "Violet Heart... face them."
Violet Heart: "I... i... i can't."
????: "YOU MUST!!!"
> Violet Heart sprinted from the closet, running aimlessly, until...
Tiolev: "This was inevitable... coward..."
> Tiolev drove her blade though Violet Heart's back into their heart. Violet Heart was left on the floor, bleeding & sobbing.
Violet Heart: "Someone... please... Masala Tiger... i need you..."
> Tiolev repeatedly stabbed Violet Heart while on the floor, crying for mercy with each stroke.

[Chapter 02]

> Violet Heart opened up their eyes, found themself in a cafe named "Cafe Troika", a place where people come to drink, talk, and chill. A place where Starlight City's outcasts could find solace.

Radio Host: "... and that makes another major catch for Pentastar. The titan of the pro wrestling world is on a winning streak, and Gloria Smith, it's founder and CEO, has just ranked #1 on the list of richest people in the united states. In other news; we're getting reports of mysterious portals appearing in various cities around the world; Sunset Bay, Twilight Hills, Rainbow Village..."

> Natasha Nikolayev, the owner of Cafe Troika, turned the radio off, sick of hearing the white noise of world, but turned to Violet Heart; her long-lasting client for four years.

Natasha Nikolayev: "Want another rose tea, V?"

> Violet Heart wondered for a minute before answering, trying to recover from their nightmare.

Violet Heart: "Yeah... one more... and steep it for..."

Natasha Nikolayev: "Seven minutes. Don't worry, i remember how one of my favorite customers likes it."

Violet Heart: "... Thanks."

> The door opened up and a familiar face showed; Masala Tiger, a female pro wrestler with mid-dark skin, and green eyes who wore a orange luchadora mask that resembled a tiger with a green ajna mark, along with orange tights, white knee pads, green boots, green elbow pads, and a orange sports bra.

Masala Tiger: "Hi-ya!!!"

Violet Heart: "Hey."
Masala Tiger: *Pout* "It's not 'Hey', it's 'Hi-ya!'."
Violet Heart: "Hi-ya."
Masala Tiger: "You're no fun."
Violet Heart: "Sorry about that."
> Masala Tiger put her index finger on Violet Heart's nose, winking at them.
Masala Tiger: "Stop saying you're sorry, you know i'm teasing."
Violet Heart: "No, i don't."
Masala Tiger: "One of these days; you'll learn."
Violet Heart: "Doubt it."
> Natasha returned with a steaming hot cup of rose tea.
[Gained: Rose Tea]
Natasha Nikolayev: "One rose tea for a special flower."
Violet Heart: "Thank you."
Natasha Nikolayev: "Pleasure. Anything for you, M?"
Masala Tiger: "No."
> Natasha left to go to the back. The cafe was reasonably packed.
Masala Tiger: "You know, i think Natasha may have a crush on you."
Violet Heart: "Oh..."
> Masala Tiger could tell that something was up with Violet Heart, the way they seemed half asleep, the tone in their voice.
Masala Tiger: "What's wrong?"
> Violet Heart stayed silent, afraid to say what was on their mind.
Masala Tiger: "It's okay... i'm not going to judge, we've been together for two years, you can tell me anything."

Violet Heart: "It's... just... i had this nightmare, seemed so real..."
> Masala Tiger quickly put her hand on top of Violet Heart's.
Masala Tiger: "It's okay... i'm here for you."
Violet Heart: "Thank you."
Masala Tiger: "Come on, we need to get to graduation. tell me all about it on the way."
> Violet Heart and Masala Tiger left Cafe Troika, hoping to get Omega Academy on time.

[Chapter 03]
[Location: Starlight City]
> Starlight City; a dense, snowy city in Minnesota where buildings contain multiple establishments like cafes, electronics stores, and comic book shops, and street signs contain languages like english, mandarin, japanese, russian, spanish and esperato. Violet Heart and Masala Tiger were sprinting through the shopping district, street vendors selling items such as; bootleg anime dvds, usb drives containing pdfs of manga, and refurbished electronics.
Violet Heart: *Looking at a dvd copy of "Neon Angelic Revelation"* "Woah!.. all 26 episodes and the movie; "End of Revelation"!"
Masala Tiger: *Grabbing them by the ear* "Now is not the time to be geeking out."
Violet Heart: "Okay, Okay..."
[Location; Omega Academy]
> After a few minutes; both Violet Heart and Masala Tiger arrived at the graduation ceremony at Omega Academy; the top school for training the next generation of pro wrestlers in the united states.
BrainRoshi: "... and next up; she's one of our most promising students, Masala Tiger!"
> Meanwhile, Violet Heart was pondering.
Violet Heart: (I see that mom and dad didn't bother to show up... i'm not suprised. Is this really what i want to do... i've always loved pro wrestling... and this path has showed me how to express myself... but.)

> Soon, a figure walks in from behind, Lady Lavender; Violet Heart's aunt and fellow pro wrestler.
Lady Lavender: *Pats Violet Heart on the shoulder* "You okay, Violet?"
Violet Heart: "Yeah... just wondering why mom and dad didn't..."
Lady Lavender: "Please, forget them. You tried to reach out to them but they couldn't bother to do the same in return. Sometimes; family means nothing to some people."
Violet Heart: "Yeah...i guess."
BrainRoshi: "...and next, one of our most... unique students we've had; Violet Heart!"
Lady Lavender: "You're up."
> Violet Heart made their way up to headmaster BrainRoshi and was handed their diploma.
BrainRoshi: "You did good these four years, no one can take that from you."
Violet Heart: "Thank you, headmaster."
[Location: The Midori Leaf]
> Later at The Midori Leaf; one of Starlight City's comic book shops which sold floppies, trade paperbacks, manga and figures. Violet Heart was re-reading the first volume of "Neon Angelic Revelation", hoping to forget their troubles.
Masala Tiger: "You okay?"
Violet Heart: "Yeah... i just want to forget."
Masala Tiger:: "Forget what?"
Violet Heart: "I... i..."
> Masala Tiger held Violet Heart's hand, hoping to let them know that she's there.
Masala Tiger: "We can talk about it if you want."

Violet Heart: *Looks away at the floor* "Please give me time, okay?"
Masala Tiger: "Okay."
[End Chapter]

[Chapter 04]
[3 Weeks Later]
> Violet Heart wasn't having the best of luck in their career as a pro wrestler, suffering thirteen straight losses and was in the middle of their fourteenth, this time against the Vanguard Wrestling champion; Raspberry Jagoda.
Violet Heart: "Come on, Violet... come on!"
>Violet Heart had many bruises all over their body and soon found themself on the mat, trapped in a boston crab.
Referee: "Violet Heart, do you give up? "
Raspberry Jagoda: "Come on, you little turd, give up already!"
> Ten minutes had pass but to no change.
Violet Heart: "No!"
> Raspberry Jagoda let Violet Heart go but they were too wounded to move. Quickly, Raspberry Jagoda went to the top turnbuckle and delivered his finishing move; a shooting star press, dubbed "The Raspberry Pancake". Violet Heart soon found themself in a pin.
Referee: "One... two... three!"
> Only a few minutes after the match, a young woman named Vidya Thistle was shouting support while others shouted malice.
Fan: "Just retire!"
Fan: "You're a loser and a freak!"
Fan: "F!@#ing f!@#ot!"

Vidya Thistle: "Shut up!.. don't listen to them, you'll get a win soon, i know it!"
> Violet Heart walked to the locker room while trash was thrown at them.
[Location: Shinoda Park]
> At Starlight City's most famous park, Violet Hear and Masala Tiger were stargazing, hands held together.
Masala Tiger: "So how'd your last match go today?"
Violet Heart: "... I lost... again."
> Masala Tiger tightened her grip on Violet Heart's hand.
Masala Tiger: "I think you should know; i'm not have the best of luck either."
Violet Heart: "Sorry... it's just..."
Masala Tiger: "It's fine... i guess we're loser lovebirds."
Violet Heart: "... Loser lovebirds?.. i guess that's the name for us."
Masala Heart: "Well, i like that name you came up for us during our senior year; Team Spice Beat."
Violet Heart: "I wish i came up with a better name."
Masala Tiger: "No, no... don't be like that!"
Violet Heart: "Sorry..."
Masala Tiger: "Stop apologizing!.. i..."
> Masala Tiger pulled Violet Heart in for a tight hug.
Masala Tiger: "Please learn to be nicer to yourself... i love you."
Violet Heart: "I love you too."
> Soon, a purple light appeared in the night sky but then grew brighter and brighter.
Masala Tiger: "Duck!"
> A small rock impacted on the surface, leaving a small crater in the park. Violet Heart and Masala

Tiger quickly ran to the crater which emitted a purple light.
Violet Heart: "What is it?"

[Chapter 05]
[Location: Violet Heart's Apartment]
> It was late at night when Violet Heart and Masala Tiger brought the mysterious purple stone to their apartment, the stone was put on the nightstand.
Masala Tiger: "What kind of stone do you think it is?"
Violet Heart: "Maybe an amethyst... but from space?"
Masala Tiger: "Maybe we'll think better in the morning. come on, i want those warm arms around me."
Violet Heart: "Always looking for a reason to cuddle, huh?"
Masala Tiger: "You miss no attempts you don't try."
Violet Heart: "... Was that a double negative?"
[Morning: 07:00AM]
> Violet Heart was half asleep when they came into the kitchen where Masala Tiger was making breakfast.
Violet Heart: "What are you making?"
Masala Tiger: "Your favorite; fruit salad!"
> Violet Heart's eyes sparkled with joy seeing a bowl filled with melon, pineapple, pears, apples and strawberries.
Violet Heart: "It's like bliss in a bowl!"
> Masala Tiger suddenly slapped herself on the forehead.
Masala Tiger: "Stupid idiot! i forgot; we're out of rose tea!"
Violet Heart: "It's okay, really..."

Masala Tiger: "No!.. no, i'll head down the Dollar Lethera and get some more."
> Masala Tiger quickly ran out the door.
Masala Tiger: "Don't eat that salad until i come back!"
Violet Heart: "Okay, okay..." (Maybe i should use this time to meditate.)
> Violet Heart soon found themself on the their purple yoga mat in the easy pose, forming the cosmic mudra.
[Initiating Meditation]
Mantra: > [Om Mani Padme Hum] < [Free My Mind]
Violet Heart: "Om mani padme hum."
> Violet Heart closes their eyes, focusing on the mantra, observing where their mind takes them.
Violet Heart: (Should i even be a pro wrestler? especially when i'm a failure?)
Violet Heart: "Om mani padme hum."
> Violet Heart reflects the past few days.
Violet Heart: (I know i should keep trying but it's so... painful.)
Violet Heart: "Om mani padme hum."
> Violet Heart was filled with feelings of failure, self-hatred and disgust.
????: (" You are not a failure, you are you, nothing more, nothing less.")
Violet Heart: "Om mani padme hum."
> Violet Heart heard a voice inside their mind, resembling both a male and female voice.
Violet Heart: (Who are you?)
Violet Heart: "Om mani padme hum."
> Violet Heart felt an embrace of hope, an alien sense of hope, but still hope.
Nexus Amethyst: ("The Nexus Amethyst; a friend.")

Violet Heart: "Om mani padme hum."
> After seventeen minutes; Violet Heart felt an inner peace in their mind.
Nexus Amethyst: ("Violet Heart, the world you live in is an onion field, and you're not alone.")
Violet Heart: "Om mani padme hum."
> After twenty one minutes of meditating; Violet Heart opened their eyes, ready.
[Ending Meditation]
Masala Tiger: "Hi-ya!"
> Violet Heart slightly jumped back, startled.
Masala Tiger: "Ha ha ha ha ha ha ha!.. you should've seen your face!.."
> Violet Heart had a smile on their face, glad to see her again.
Violet Heart: "Did you get more rose tea?"
Masala Tiger: "Yup!.. fresh tea bags containing dried rose petals; right here!.. and..."
Violet Heart: "And?.."
Masala Tiger: "And on the way home; i ran into Gloria Smith and she wants to talk with us."
Violet Heart: "Gloria Smith?.."
[End Chapter]

[Chapter 06]

[Location: Pentastar Tower]

> Violet Heart and Masala Tiger were in one of Starlight City's more recent buildings; Pentastar Tower, headquarters of Pentastar Combat Entertainment. They were in a waiting room, Violet Heart was meditating; just letting their thoughts come and go, while Masala Tiger was reading a magazine whose main article was; "Elderberry Jagoda: Deserving of Entry in Hall of Fame, or Hall of Shame?".

Receptionist: "Ms. Smith will see you both now."

> Both Violet Heart and Masala Tiger went in.

Gloria Smith: "Hello, Violet Heart... and Ms. Masala Tiger."

Masala Tiger: "Please, drop the "Ms.", just Masala Tiger."

Violet Heart: (Gloria Smith; a woman born into luxury. While i reading pirated copies of "Neon Angelic Revelation", she was watching operas in high class booths. What exactly does she want from me?.)

Gloria Smith: "Something on your mind, Violet Heart?"

Violet Heart: "It's not important."

Gloria Smith: "Well, then... shall we get this conversation underway?"

> A couple of hours later, all three were talking about a potential future... together.

Gloria Smith: "Even though you both haven't seen a single victory in the ring, i believe you two are diamonds in the rough just waiting to be polished. All you need is someone to lead you. I can be that leader."
> Suddenly, the door violently opened up and a person was called Emery Burrows came marching in.
Receptionist: "Emery, you can't..."
> Gloria Smith gestured towards the receptionist.
Receptionist: "Quick, get security!"
Emery Burrows: "Trying to deceive two more people, Gloria?"
Violet Heart: "Deceive?"
Gloria Smith: "Now, Emery, i don't deceive, i show people the light."
Emery Burrows: "Light? yeah, the light where you're a savior, but in other lights; you're a liar."
> Security came in and carried Emery out.
Gloria Smith: "Now... where were we?"
Violet Heart: "Um... Ms. Smith, i think me and my partner are going to need some time. Right?"
Masala Tiger: "Right!"
> Both got up and began to walk to the door.
Gloria Smith: "Wait, here's my email and phone number, don't hesitate to get back to me."
Violet Heart: "Okay..."
[End Chapter]

[Chapter 07]
[Location: The Nexus Palace]
> Violet Heart was wandering around with worried look on their face.
Violet Heart: "I... i... i need to run."
> Tiolev suddenly appeared behind of them.
Tiolev: "Run... that's all you're good at."
> Tiolev quickly stabbed Violet Heart in the neck, blood gushing out like spilled milk.
Tiolev: "Even 'good' doesn't fit... pathetic."
[Location: Violet Heart's Apartment]
> Violet Heart suddenly woke up from their nightmare in a cold sweat, Masala Tiger still sound asleep.
Violet Heart: "I don't want to go back to sleep... might as well sign into Shambhala."
> Violet Heart got out their laptop; Mandala, a low-end model with a 50gb SSD and 4gb RAM with Gubuntu installed on it.

Masala Tiger: "Hey, Violet Heart... i know this is a touchy subject but... how come you and me have never had sex?"
Violet Heart: "Do we really need to do that sort of thing?"
Masala Tiger: "Well... we both love and trust each other, so why not?"
Violet Heart: "One thing doesn't always lead to another."
Masala Tiger: "You scared of a hot, raunchy, steamy night in bed?"
Violet Heart: "No, i just don't see a point."
Masala Tiger: "Fine."
Violet Heart: "Don't worry, one of these days; i'll give you a good time."
Masala Tiger: "On that day; please give me a BJ."
Violet Heart: "Sure."
> Violet Heart soon let out a yawn.
Masala Tiger: "Sleepy?"

Violet Heart: "Yeah... Ashoka was having a long talk with our pen pal; Metta, but now i know what needs to be done."
Masala Tiger: "But HOW is it going to be done?"
Violet Heart: "Metta has set me up with a meeting with a friend of theirs here in Starlight City."
Masala Tiger: "When?"
Violet Heart: "In about... twenty-one minutes. I need to go now."
> Violet Heart rushed out the door, Masala Tiger had a 'they need to plan ahead' look on her face.
[Location: Cafe Troika]
> Violet Heart walked in and soon saw a person waving for them; Emery Burrows.
Emery Burrows: "So... you're the one Qwerty said to meet?"
Violet Heart: "Qwerty?"
Emery Burrows: "The girl behind Metta."
Violet Heart: "Oh. What's she like?"
Emery Burrows: "Full of Energy. Nuff said."
Natasha Nikolayev: "Ready to order?"
Violet Heart: "Rose tea, please."
Emery Burrows: "Sacred lily oolong tea, and can you change to channel three, there showing NAR."
Violet Heart: "Neon Angelic Revelation?.. you like that show too?"
Emery Burrows: "Love it, you?"
Violet Heart: "Yeah... it's one of the best things humanity's made, besides tea."
Emery Burrows: "I agree, that show really pushed what they could get away with..."

> The two soon got their drinks and watched the episode together. After which, both gushed over the story and soon silence fell between them.
Violet Heart: "So... Qwerty said you got a plan?"
Emery Burrows: "Yeah but... first i need to know for sure you're committed to this."
Violet Heart: "I'm committed, Gloria's the most dirtiest dirt that ever dirted!"

Masala Tiger: "Come on, Violet, you can't stay in there for the rest of your life!"

Violet Heart: (How could i do something like that? Raspberry Jagoda will probably never walk again. i did this, i don't deserve this belt, i don't deserve anyone. I'm no hero.)

> The door opened up the door.

Masala Tiger: "Okay! we're going to talk, now!"

Violet Heart: "It is..."

Masala Tiger: "I. Said. Enough! you're being stupid!"

Violet Heart: "But..."
> A scream could be heard, it belonged to Masala Tiger.
Violet Heart: "Masala!?"
> Soon, both Violet Heart and the Nexus Amethyst found themselves sprinting back.
Tiolev: "I can see why a weakling like Violet would fall for a brute like you, but besides that;
this is the end."
Violet Heart: "Hey!"
> Tiolev soon looked back, Masala Tiger formed a slight smile with the little energy she had.
Nexus Amethyst: "Violet, in this moment; you stand and face your destiny, not with fear, but with courage."
